

Homework 7: System Design Reading

Introduction to Big Data Systems course

Due: November 13, 2022 23:59 China time. Late submission results in lower (or even no) scores.

For questions or concerns, contact TA (Huanqi Cao, Mingzhe Zhang) by WeChat. Or send an email to caohq18@mails.tsinghua.edu.cn or zmz21@mails.tsinghua.edu.cn if you could not use WeChat.

Task

Read the article "[Worse is Better](#)".

Write a simple paragraph about what you got and understood from this article. Why is the article named "Worse is Better". What do the words "worse" and "better" in the title indicate? The paragraph can be less than 100 words. Submit in PDF format.
